Q&A

If you have any questions, please “raise your hand” or type your question in the chat box.

Breakout Rooms

Suggested conversation starter:

- Introduce yourself
- What is your role at your organization as it relates to DEI?
- What do you see as your biggest challenge in implementing or advancing DEI in your organization?

If you'd like to switch rooms there should be tools at the bottom of your screen to choose a different room (or you can go back to the main room and Homaira can help you.)

Thank you
