

NVC/PINKSTON

Business *Leader Survey.*

Q3 2025 Report

Executive Summary & Insights.

The Q3 NVC/Pinkston Business Leader Survey series captures the perspectives and sentiments of 135 CEOs, corporate executives, and business owners operating in Northern Virginia, including Fortune 500 companies.

- These survey insights are intended to support strategic decision-making for policymakers and the business community across multiple sectors, shaping the future of economic growth in the Greater Washington Region.
- This survey represents the perspectives, sentiments, and strategic planning of 135 CEOs, corporate executives, and business owners with operations in Northern Virginia. A coalition of 10 business organizations participated in this survey, including:

Northern Virginia Chamber of Commerce
Alexandria Chamber of Commerce
Arlington Chamber of Commerce
Central Fairfax Chamber of Commerce
Dulles Regional Chamber of Commerce

Falls Church Chamber of Commerce
Greater Reston Chamber of Commerce
Loudoun County Chamber of Commerce
Northern Virginia Hispanic Chamber of Commerce
Prince William County Chamber of Commerce

- Northern Virginia is an economic engine for the Greater Washington Region and the Commonwealth of Virginia, representing **46%** of Washington D.C.'s regional economy and **42%** of Virginia's economy.

46%

of Washington D.C.'s regional economy source: George Mason University's Stephen S. Fuller Institute

42%

of Virginia's economy source: Fairfax Economic Development Authority

Top Insights

68%

Individual business optimism is improving

68% of business leaders are very or somewhat optimistic about their company's performance in the next six months, an increase of 14 percentage points from the Q2 survey. On balance, 17% are neither optimistic nor pessimistic, while only 15% are very or somewhat pessimistic. In addition, 10% of business leaders are planning to lay off staff between now and end of year, which is down from 18% last quarter.

Nearly 1 in 3 businesses harmed by DOGE

When asked how DOGE has impacted their company's business decisions over the last six months, 56% said that there was no impact at all, while 23% downsized operations, 16% pursued new services and products, and 7% laid off employees. In addition, 80% of business leaders are concerned about DOGE's ongoing activities, 10% are not concerned at all, and 11% are encouraged by DOGE's actions.

Businesses are worried about President's tariff policies

Roughly four out of 10 business leaders anticipate that the President's tariff policy and negotiation process may cause their business to decline. Half (48%) expect no impact to their business at all, while 11% believe it will cause their company to grow. In addition, business leaders listed inflation (47%), federal downsizing (47%), and tariffs (41%) as the top external issues impacting their business growth.

Affordable housing and taxes are top local priorities

When asked about their policy priorities for their county, the next Governor, and General Assembly, business leaders list affordable housing and then lowering taxes as the top priorities.
