# A Message from the President & CEO

Dear Members and Friends of NVC,

Thank you for your continued investment in the Northern Virginia Chamber (NVC), your leadership in advancing the NOVA Roadmap initiative, and your confidence in NVC to help lead this transformational regional effort.

Since the launch of the **NOVA Roadmap** in July 2025, NVC has moved decisively from vision to execution across all four goals. With more than 50 investor organizations, seven **Executive Councils**, and a growing network of public and private sector partners, NVC has rallied the region's business leaders, educational institutions, and policy leaders around a shared mission: strengthening and transforming Northern Virginia's economic competitiveness and resilience.

We have raised our collective voice to set a vision of our region's future and advocate for the decisions, projects, legislation and action that will propel us to success.

Amid rising pressure on affordability, infrastructure capacity, the ability to attract and retain top talent, and economic diversification, the Roadmap serves as the region's trusted framework for regional alignment and economic policy action. As the voice of business, NVC is in the driver's seat, guiding how economic policy is prioritized, sequenced, and advanced.

The **NOVA Roadmap Progress Report** highlights NVC's ongoing progress across policy, coalition-building, and regional engagement, and reflects both the strong foundation that has been established over the past year and the continued momentum behind this multi-year initiative.

We are grateful for your ongoing leadership, vision, and partnership, and we look forward to continuing to build on this progress together.

Julie Coons  
President & CEO  
NVC

# 2026 Keynote Speaker

## The Honorable Don Scott

Speaker of the House  
Virginia House of Delegates

The Honorable Don Scott is a dedicated advocate in the courtroom and the House of Delegates, championing Virginia's working families. A Texas A&M graduate and U.S. Navy veteran, he served as a Surface Warfare Officer before earning his law degree from LSU in 1994. He is now a partner at Breit Biniazan P.C. In 2023, colleagues unanimously elected him the first Black Speaker in the House's 405-year history. As Speaker, he leads the Rules Committee and serves on several key state boards and commissions.

# FFX MARKS THE SPOT

Where business comes to dent the universe

At the nexus of access and influence exists a place where the frontiers of the future are being reimagined. Here in Fairfax, businesses from rising startups to Fortune 500s find fertile ground to put down roots and scale to new heights. From here, you can dent the universe.

# 2026 Award Honorees

## Impact Award: Regional Leadership

This award is given to candidates who are recognized for the hard work, dedication, and positive impacts they have made to grow our region.

### Honoree: Marty Rodgers

Lead, U.S. Health & Public Service  
Client Group  
Accenture

Martin “Marty” Rodgers oversees a nationwide team that partners with healthcare and public sector organizations to harness technology to improve policymaking, service delivery, patient outcomes, health equity and overall operational efficiency. Marty’s career before joining Accenture was marked by significant contributions to national service, workforce development, and apprenticeship programs. During his time on Capitol Hill, he played a key role in drafting influential legislation, including the bill that established AmeriCorps.

---

## Impact Award: Workforce

This award is given to candidates who are recognized for their extraordinary achievements in creating a long-lasting impact on the future workforce of our region.

### Honoree: Micron Technology, Inc.

Micron Technology, Inc. is an industry leader in innovative memory and storage solutions, transforming how the world uses information to enrich life for all. With a relentless focus on our customers, technology leadership, and manufacturing and operational excellence, Micron delivers a rich portfolio of high-performance DRAM, NAND, and NOR memory and storage products.

# Lifetime Achievement Award

This award honors the lifetime leadership and invaluable volunteer service of dedicated individuals that have been instrumental in building Greater Washington into the economic engine it is today.

## Honoree: J. Scott Hommer

Former Partner (Retired)  
Venable LLP

Scott Hommer is former co-chair of Venable's Government Contracts Group and co-chair of the Government Contractors Services Group. Scott has experience in counseling clients who do business with federal, state, and local governments. He represents technology companies and government contractors – locally, nationally, and internationally – in contract negotiations and acquisitions, in the protection of intellectual property rights, and in litigating and resolving disputes successfully.
